When he finds his secret recipes that he accidentally left in an Armoire, she insinuates that she will get it out of the business, gloating that she is "through". In "George's summer", Elaine enems the compaign of her Sam (Molly Shannon). First, when Elaine criticizes the way of walking from Sam ("it is as if he were wearing invisible suitcases"), Sam enrages and threatens revenge. Then, Raquel Welch (who was recently fired from a musical to dance without moving his arms), sees Elaine describing her walk to the police and thinks that Elaine is making fun of her and attacks her. In "The Understudy", after thinking that the Korean manicurists of her are mocking her, she angered them by bringing Frank Costanza, who is fluid in Korean, to listen to them. In "El Fuego", Elaine reveals her hatred for her very rich, always happy colleague Toby. Then, when Toby loses his pink finger in an accident (caused by Jerry), an overcoming of the office sympathy leads Toby to a major promotion instead of the qualified Elaine. In "La Visa" she and Jerry anger Pakistanā immigrant Babu Bhatt after she does not notice Babu's visa request in Jerry's mail that she is collecting for him. In "The Susie", the Compā ã ero of Work Peggy tells Elaine, who believes that she is a woman named Susie, that Elaine is a "Dolt" and "Disaster". Later, in "The Apology", Peggy thinks that Elaine has gals her back. In "the package", it is revealed that the Mén Dicas de Elaine dicas characterize it as a "difference" to such an extent that she cannot receive treatment for an erupcion because a world after another refuses to treat her.
